

# THE ART OF ULTRA-LUXURY

Bespoke Turnkey Interior Masterpieces

ESTD. 2014 | HYDERABAD | PAN INDIA

# THE D'INTERIO PHILOSOPHY

---

Luxury is not just an aesthetic; it is an experience of comfort, exclusivity, and flawlessly executed design. At D'Interio, we view every project as a canvas to express the unique identity of our clients.

Our approach is rooted in the belief that true luxury lies in the details - the choice of a specific Italian marble, the curve of a custom-designed sofa, the perfect placement of architectural lighting.

## MINIMUM PROJECT ENGAGEMENT: INR 50,00,000

This threshold allows us to maintain the highest standards of quality and exclusivity, sourcing materials from the finest global suppliers and employing only the most skilled artisans.

# TURNKEY EXCELLENCE

---

## - Architectural Planning & 3D Visualization

We create digital twins of your futura home, allowing you to walk through every room before a single brick is laid. Our visualizations include lighting, texture, and furniture curation.

## - Bespoke Modular Solutions

Our specialized modular unit produces high-precision kitchens and wardrobes using premium marine-grade plywood and high-end finishes like PU, Acrylic, and Veneer.

## - Full-Scale Site Execution

From structural modifications to electrical, plumbing, and HVAC, our turnkey service ensures you only deal with one partner. We handle the complexity; you enjoy the results.

## - Luxury Furniture Curation

We source and design custom loose furniture, selecting fabrics, leathers, and metals that complement your overarching design theme.

# OUR PROCESS

---

## 01. Vision Discovery

In-depth consultation to understand your lifestyle, tastes, and future needs.
